MasTec, Inc. ("MasTec" or the "Company") is filing this Notification of Late Filing on Form 12b-25 with respect to its Annual Report on Form 10-K for the fiscal year ended December 31, 2014 (the "Form 10-K").

As previously announced, the Audit Committee of the Company's Board of Directors, with the assistance of independent counsel, is undertaking an independent review primarily to determine whether certain cost to complete estimates, currently believed to be in the range of zero to \$13 million, which were recognized during the Company's third quarter of 2014, should have been recognized during the second quarter of 2014. Although the Company currently believes that the review will not impact its previously announced full fiscal year 2014 results, because the Audit Committee's independent review has not yet been completed and no conclusions have been established, the Company is currently unable to determine whether any changes will be required with respect to its reported results of operations for any interim period.

As a result of these developments, the Company is unable, without unreasonable effort or expense, to timely file the Form 10-K.
